\$6,500

This item is located in the USA in the state of California. Shipping from there is at the buyer's expense. Please enquire if you would like to know more.

An unusual pair of Chinese export porcelain tureens and covers brightly enamelled in famille rose with peonies and flowers, of oval form with lion mask handles and large and elaborate corneal knobs.

These knobs are a form that originated in Meissen porcelain, which they copy closely, though the lion mask handles are a Chinese design.
